Minnesota	84,481	908	\$4.2B	\$5.2B	87,300	519,500
Mississippi	8,468	145	\$702.6M	\$542M	11,500	109,100
Missouri	45,604	533	\$2.1B	\$2.3B	41,400	392,300
Montana	6,329	110	\$1.1B	\$374M	10,200	47,100

¹ The number of seniors who reside in senior living (including assisted living, memory care, independent living, and continuing care) communities

² The total value of direct spending as well as the indirect and induced spending associated with assisted living operations.

³ The amount of spending incurred by Medicaid if assisted living were not an option (assumes 61% of senior would be forced to skilled nursing facilities (SNFs).

⁴ The total number of assisted living workers, across all occupations, that will be needed by the year 2040.

⁵ The total number of long-term care workers, across all occupations, that will be needed by the year 2040.

⁵ The total number of long-term care workers, across all occupations, that will be needed by the year 2040.

Argentum is the leading national association representing 75 percent of professionally managed assisted living, independent living, memory care, and continuing care retirement communities. These communities offer choice, dignity, security, and comfort in the final years of life to nearly two million vulnerable seniors.
